During Intercession break, youth investigate our newly-remodeled Reptile Room, parrot enclosures, butterfly habitat, other insect areas (etc), through science investigations, nature photography, animal interactions and nature crafts, in five daily 9-noon sessions.

Each morning begins in Education Station, followed by the day's adventure with youth in groups of eight or less! Each camper receives a camp t-shirt or backpack, daily snack, nature journal and nature craft take-homes. \$125 members, \$135 others.
