

## Corpus Christi five-attraction partnership offers half-price reciprocal admission to their members— in FEBRUARY only!

*Gift shop and membership discounts also offered . . .*

CORPUS CHRISTI—Members of at least one of five major Corpus Christi attractions—Art Museum of South Texas, Corpus Christi Museum of Science & History, South Texas Botanical Gardens & Nature Center, Texas State Aquarium or USS Lexington Museum on the Bay—get an extra mega membership benefit during the month of February only!

Current members of any of these local visitor destinations may enjoy half-price reciprocal admission at the other four; 10 percent off in all five gift shops; and 10 percent off new memberships at the Art Museum, Botanical Gardens, Corpus Christi Museum and USS Lexington—throughout February only!

The February attraction partnership is designed so Coastal Bend residents can experience their city like tourists do, vacationing in their own back yard with substantial cost reductions, while supporting these non-profit educational and cultural facilities!

These five attractions all change or add exhibits regularly—so don't assume you've already seen it all! Be prepared to show your *current* membership card and photo identification at all facilities. (The reciprocal benefit applies to those family members covered on the home membership category.) Call the participating attractions, or visit their websites for membership, hours, or other information.
