& Corpus Christi Rose Society
host first *ROSE SHOW*, April 16!

The South Texas Botanical Gardens & Nature Center and Corpus Christi Rose Society will hold their first rose show--featuring blooms submitted by all levels of Coastal Bend rose gardeners--from 9 am to 6 pm, Saturday, April 16, at the Botanical Gardens Education Station, 8545 S. Staples St. There are no entry fees, and all rose types are eligible including hybrid tea, grandiflora and floribunda, shrub and landscape, climbing and miniature, and antique or old roses. Entries must be submitted between 8 and 10 am Saturday, April 16, at Education Station.

Rose Show admission is free; but general admission applies to visit the rest of the Botanical Gardens & Nature Center. Rose Society members will be on hand for questions and growing tips. About two dozen plants held over from the Botanical Gardens' April 2 BIG BLOOM Plant Sale may be purchased.

The Rose Society is seeking new members. Annual dues are \$15. Members meet the last Saturday of each month to maintain the Botanical Gardens rose beds, sharing knowledge, best practices and trends.
